

## **BronxWorks Community Health Programs Food Resource Guide**

In an effort to provide the community with vital services and resources during this time, the BronxWorks Community Health Programs is sharing the numerous food resources available to help those in need. Various restaurants and schools in the Bronx are assisting the community by allowing children and families to visit their facilities during different times to receive a meal. The following restaurants and food distributions will be assisting their communities **as circumstances allow**. Contact [rgill@bronxworks.org](mailto:rgill@bronxworks.org) with any questions regarding this resource.
