CLOSING REMARKS

THANK YOU FOR YOUR SUPPORT!

WELCOME LETTER

Dear Friends,

On behalf of BronxWorks leadership, Board of Directors, and staff, I am pleased to welcome you to the BronxWorks 2025 Lifting Lives Gala! It is a privilege to come together to celebrate BronxWorks and raise funds for critical services uplifting our neighbors.

We are incredibly grateful for your support of the BronxWorks 2025 Lifting Lives Gala, which raises unrestricted funds for vital services. Your generosity benefits programs such as our workforce development training supporting those starting a new career, our community food pantries feeding hundreds of families each month, our aquatics programs teaching life-saving skills to all ages, or our eviction prevention programs keeping our neighbors stably housed. With renewed support from our friends and stakeholders, BronxWorks will continue to offer a wide variety of services to our neighbors in need as we strive to lift lives and build futures in the Bronx.

We have the pleasure of honoring three dedicated and accomplished stakeholders of the Bronx community; Bruce Phillips, BronxWorks Board Member and Senior Managing Director, Tishman Speyer; Julio Reyes, Jr., BronxWorks Board Member and Vice President, Regional Manager, Citizens Bank; and Jessica Sherman, Senior Vice President of Affordable Housing, Douglaston Development. Our honorees have demonstrated their sincere commitment to BronxWorks, and their work helps us live our mission to feed, shelter, teach, and support our neighbors to build a stronger Bronx community.

For over fifty years, the organization has constantly evolved our services and infrastructure to address the needs of our community. Today, BronxWorks operates over 65 service locations and offers more than 100 programs. Our work is made possible with the support of stakeholders such as yourselves. Thank you for your commitment to BronxWorks and to the Bronx community.

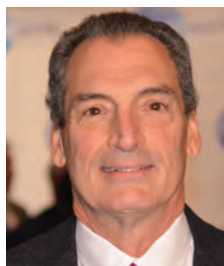

BronxWorks is always seeking to foster new relationships and engage our stakeholders. To connect further with BronxWorks, please contact our Director of Advancement and Communications Gianna Dell'Olio at gdellolio@bronxworks.org.

Sincerely,

Eileen Torres
