Dear BronxWorks Friends and Family,

Thank you for reading this edition of the BronxWorks Report to the Community. We are proud to share our accomplishments from 2024 as we reflect on another year of service to the Bronx. Through new and continued programming, strong partnerships, and community advocacy, BronxWorks supported over 65,000 Bronx residents with services in 2024. Since the founding of the organization in 1972, BronxWorks has continued to expand our reach throughout the borough, connecting with various populations and addressing evolving needs. From toddlers to seniors, we feed, shelter, teach, and support our neighbors to build a stronger Bronx community.

In 2024, BronxWorks offered more than 100 programs at over 65 locations throughout the borough. Our services include benefits access, youth and adult education, workforce development, homeless services and eviction prevention, services for older adults, health and wellness, chronic illness management, supportive housing, legal services, and more. Each of these services empowered hundreds and thousands of community members to build a better future for themselves. Some of our 2024 accomplishments include: we placed 511 households into permanent housing; we enrolled 6,685 households in health insurance; we connected 1,445 youth with internships or jobs; we distributed 227,722 pounds of food to those facing food insecurity; and we provided early childhood education to 205 pre-school aged children.

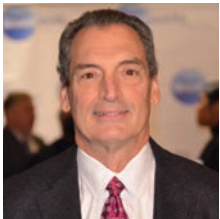

While we have witnessed incredible growth in the borough throughout our 50+ year history, BronxWorks remains committed to supporting the community as we face continuing issues of affordability and stability in these uncertain times. Our work would not be possible without the dedication of our staff, Board of Directors, donors, partners, community leaders, and friends, like you. We are grateful to everyone who remains committed to the organization and helps us grow our impact.

Thank you for reading the 2024 BronxWorks Report to the Community.

Sincerely,

Eileen Torres
Chief Executive Officer, BronxWorks

Roger Begelman
Chair, BronxWorks Board of Directors

2024 HIGHLIGHTS

1. #JUSTPAY UPDATE – MAJOR INVESTMENT IN THE NONPROFIT HUMAN SERVICES SECTOR

In March 2024, Mayor Eric Adams and the New York City Council announced a major investment in the nonprofit human services sector: over the next three years, the City budget will include a 9.27% wage increase for City-contracted human services workers! This \$740 million investment will impact tens of thousands of workers across New York City, including most BronxWorks frontline and support staff. This new commitment is a major win for all of us and the neighbors we serve. BronxWorks is proud to have successfully advocated for this long overdue investment in human services workers. We are grateful to the Human Services Council for leading the #JustPay campaign since 2021 and to our peer organizations who joined us in advocating for this well-deserved investment.

2. EXPANSION OF BRONXWORKS LEGAL SERVICES

BronxWorks is proud to provide a wider range of legal services to our community! In the fall of 2024, BronxWorks launched our Tenant Defense Program, offering Right to Counsel services to the Bronx. Universal Access to Counsel is a New York City initiative that ensures the right to free legal representation for low-income New Yorkers facing eviction in housing court. The program welcomed dozens of new staff members and supports clients with representation in eviction proceedings, administrative hearings, and appellate courts. Within the first three months of handling cases, the program served almost 400 individuals with critical legal assistance to safeguard their housing and economic stability.

3. BRONXWORKS RETURNS TO HOSTING POVERTY SIMULATIONS

BronxWorks is thrilled to return to hosting Poverty Simulations for some of our community partners. BronxWorks leads a simulation in which attendees take on different identities of individuals experiencing poverty and work within an assigned family unit. The Community Action Poverty Simulation (CAPS)—an interactive, immersion experience— is owned by the Missouri Community Action Network. The simulation provides a glimpse into the structural barriers of poverty to transform participants' perspectives about their own communities. These transformed perspectives inspire action toward positive community change. Learn more about CAPS at povertysimulation.net. BronxWorks offers Poverty Simulations as a contracted service. If you're interested in bringing the Poverty Simulation to your organization or your team, please contact us at info@bronxworks.org.

MISSION

BronxWorks helps individuals and families improve their economic and social well-being. From toddlers to seniors, we **FEED, SHELTER, TEACH,** and **SUPPORT** our neighbors to build a stronger Bronx community.

FEED

INTERGENERATIONAL PROGRAM

■ **INTERGENERATIONAL PROGRAM ENCOURAGES HEALTHY EATING HABITS**

BronxWorks Intergenerational (Intergen) Program brings together youth and older adults to participate in a variety of activities while building relationships with people of different ages and experiences.

Programming often includes skill-building activities focused on wellness and teamwork. At one site of Intergen programming, older adult and youth participants grew vegetables together in a garden, and then at the end of the season they shared a salad together made from produce they grew. At another location, youth participants led cooking demonstrations of a traditional family meal made with fresh, locally sourced products. They worked as a group making the meals and learned many new skills from one another.

INTERGENERATIONAL PROGRAM

THANKSGIVING BRUNCH

■ **THANKSGIVING BRUNCH FOR OLDER ADULTS**

BronxWorks held our first annual Thanksgiving Brunch for older adults in our community! Over 70 seniors from several BronxWorks Older Adult Centers attended the brunch to celebrate the holiday and enjoy a Thanksgiving meal. Attendees also enjoyed various games and musical entertainment. We are grateful to all of those who contributed to making this event a great success. Our services for seniors provide opportunities for social connections, personal growth, and other resources to help older adults remain healthy and engaged with their communities.

IN THE NEWS Featured in media including PIX 11, ABC 7 Eyewitness News New York, News 12 The Bronx, Westfair Business Journal

“Our communities deserve adequate access to fresh, healthy foods, which is not [always] the case [in the Bronx], so it’s really important for agencies like us to step in and advocate and provide that access.”

—Rachel Gill, Associate Vice President,
Community Health Programs

FEED

IN 2024...

BronxWorks prepared **459,140** meals for Bronx residents vulnerable to food insecurity.

BronxWorks assisted **208** households secure SNAP benefits.

Learn more about Intergen and other BronxWorks programs from Alice, a BronxWorks participant. Scan the QR code.

BronxWorks distributed **53,835** grocery bags that led to the preparation of **366,419** meals for an average of **5,163** people each month.

■ **SEASONAL FARM STANDS OFFERING HEALTHY, LOCAL PRODUCE**

BronxWorks continues to operate two seasonal farm stands every week from July to November. The Mott Haven Farm Stand is located at Padre Plaza on Wednesdays, and the Community Farm Stand is located at our flagship community center at 1130 Grand Concourse on Thursdays. Both locations offer a variety of fresh and affordable produce to the community. BronxWorks staff also provide cooking demonstrations and nutrition education in multiple languages, based on the food available at the stand.

IN THE NEWS Featured in media including BronxNet Open, Mott Haven, Herald, Spectrum News NY1, News 12 The Bronx, 1010WINS, Bronx Times

■ **MULTIPLE PANTRIES THROUGHOUT THE COMMUNITY**

BronxWorks operates several food pantries bi-weekly or monthly at various BronxWorks locations. Pantries are a major resource for our community members, as challenges with affordability continue to rise citywide. Many neighborhoods in the Bronx, especially in the South Bronx, are considered a food desert, or an area with limited access to affordable and nutritious food. BronxWorks pantries support over 700 families each month with fresh, locally sourced produce and shelf-stable goods.

BRONXWORKS ARTISTS

BRONXWORKS ARTISTS

HOMELESS OUTREACH

HOMELESS OUTREACH

■ BRONXWORKS ARTISTS FEATURED IN CULTURE OF BELONGING EXHIBITION

Artists from BronxWorks Adult Homeless Services programs were featured in the Culture of Belonging Exhibition at the Boricua College Gallery in the Bronx. The exhibit was curated by BronxWorks Artist-in-Residence Francis Palazzolo, who also hosted a participatory art event at the gallery alongside some of the artists. Community members were welcome to attend and create their own art representing their own ‘culture of belonging’. Through these creative pursuits, the artists are able to process and share their experiences as they progress towards obtaining permanent housing.

**IN THE NEWS* Featured in media including CBS New York, Mott Haven Herald*

“I would never have imagined being able to triumph with my arts. Having shared that with people, it was amazing... Organizations like this definitely give people an opportunity to step into the world again and just continue living life.”

—Luis M., BronxWorks Participant

Hear Luis’ story.

■ BRONXWORKS HOMELESS OUTREACH TEAM

The BronxWorks Homeless Outreach Team (HOT) has been providing outreach and case management services to some of our most vulnerable neighbors in the Bronx for almost 30 years. HOT is a mobile unit that works with unhoused individuals on the streets, 24 hours a day, 365 days a year. BronxWorks supports these individuals with obtaining appropriate services, moving to safer environments, and working towards long-term housing. BronxWorks HOT has also been a leader in the annual Homeless Outreach Population Estimate (HOPE) Count in NYC, an annual survey of the street homeless population in every borough conducted by community volunteers. Decades of HOPE Counts have shown that this population has continued to decrease. BronxWorks is proud that our longstanding work in the community has contributed to the 67% reduction of street homeless individuals in the Bronx between 2005 (587) and 2024 (192).

For more information about our services, please visit www.bronxworks.org/our-services

SHELTER

■ BRONXWORKS LINKS LOCAL LANDLORDS WITH THOSE IN NEED OF HOUSING

In April of 2024, BronxWorks launched the Landlord Engagement Program, which connects prospective tenants with rental assistance vouchers to local landlords with empty units. This program aims to address the challenges that both landlords and low-income New Yorkers are facing when trying to use city-funded rental assistance, such as income discrimination, necessary repairs to meet city standards, and administrative processes. The Landlord Engagement Program, funded by JPMorgan Chase, will help increase efficiency for unhoused individuals and families to find stable housing and for local landlords to secure steady streams of income.

**IN THE NEWS* Featured in media including The Gothamist*

■ TRANSFORM PROGRAM RECEIVES FAMILY2FAMILY DONATION

Children in the BronxWorks Transform program received personalized gifts through the Family2Family program this holiday season! Family2Family is an initiative of Baby2Baby, a generous partner of BronxWorks, who connected children in Transform with local donors. The BronxWorks Transform Program supports families with the transition out of shelter as they move into housing. The donations through Family2Family brought wonderful holiday cheer to these families as they work to maintain stability during this transitional period.

TRANSFORM PROGRAM

TRANSFORM PROGRAM

IN 2024...

BronxWorks placed **511** households into permanent housing.

BronxWorks provided rental arrears assistance to **2,371** households who were at risk of eviction

BronxWorks provided shelter to approximately **3,289** people, including over **2,000** single adults and over **500** families.

TEACH

CAFE

■ THE CENTER FOR ACHIEVING FUTURE EDUCATION

The BronxWorks Center for Achieving Future Education (CAFE) Program assists high school students with understanding and preparing for the college application process. Students can find support with individualized college counseling, financial aid applications, scholarship search, campus visits, workshops, SAT prep, trade school applications, and more. CAFE also supports students once they begin higher education by providing guidance and skills to be successful in their college journey.

“CAFE definitely helped me understand the college search and application process. The workshops were an eye opener, not just about college education and FAFSA, but also maintaining mental health. It was really educational for me.”

– Emmanuel A., BronxWorks Participant

■ OLDER ADULTS TAKE CLASSES AND LEARN NEW SKILLS

Older adults have the opportunity to learn new skills through a variety of activities at our older adult centers. Throughout the year, our centers offered classes in sewing, music, dancing, exercise, as well as lifesaving skills such as CPR and fire safety. Many of these classes were conducted for several weeks and culminated in a showcase event with their peers. Older adults also have access to the BronxWorks English for Speakers of Other Languages (ESOL) program, with some classes offered within the older adult centers. BronxWorks Older Adult Centers offer many other activities and services as well, including daily meals, holiday celebrations, trips to local stores and attractions, case management, and referrals to other BronxWorks services such as benefits assistance and food access.

OLDER ADULT CLASSES

OLDER ADULT CLASSES

Hear from Layhana, a CAFE Graduate and current CAFE Peer Mentor. Scan the QR code.

■ EARLY CHILDHOOD LEARNING CENTER GRADUATION

BronxWorks is proud to educate some of our youngest community members at our Early Childhood Learning Centers (ECLCs). These high-quality, full-day childcare facilities support children ages 3-5 years old with age-appropriate learning and social skills development to prepare them for elementary school. In June, students, families, and staff celebrated the end of the school year with a moving-up ceremony! The children put on performances as a class before receiving their diplomas!

■ BRONXWORKS INDOOR POOL OFFERS ACCESS TO WATER SAFETY

The BronxWorks Indoor Pool at our flagship community center provides a much-needed resource for water safety to the community. In partnership with Physique Swimming and Asphalt Green, BronxWorks offers weekly swimming lessons to the public throughout the year. BronxWorks participants in various programs, such as after-school and summer camp, Cornerstone Community Centers, and Family Wellness, also enjoy the pool recreationally during programming. The BronxWorks Pool is one of the few indoor pools in the Bronx, providing access to learning life-saving skills for our community.

EARLY LEARNING

EARLY LEARNING

WATER SAFETY

IN 2024...

BronxWorks Cornerstone Community Centers offered educational and recreational activities to **17,326** people, including youth, working adults, and seniors.

BronxWorks had **2,715** school-aged youth enrolled in out-of-school time, school transition, and attendance improvement programs.

BronxWorks provided early childhood education to **205** pre-school aged children.

BronxWorks Older Adult Centers provided **2,846** educational activities to **1,836** seniors.

For more information about our services, please visit www.bronxworks.org/our-services

SUPPORT

WORKFORCE DEVELOPMENT

■ WORKFORCE DEVELOPMENT ASSISTS SECTION 8 RESIDENTS FIND FINANCIAL STABILITY

One of many workforce development programs at BronxWorks is the Family Self-Sufficiency (FSS) program, provided in partnership with the NYC Department of Housing Preservation and Development (HPD) and other community organizations. FSS is a five-year program that empowers Section 8 residents to build stronger financial foundations. BronxWorks provides job training, job placement, educational opportunities, and more to support families as they find financial stability. The program also provides financial rewards to participants through a free savings account, resulting in successful graduates earning an average of \$7,000. Participants develop skills in saving and career advancement, allowing them to pursue long-term goals such as home ownership or higher education.

**IN THE NEWS* Featured in media including Harlem World Magazine*

WORKFORCE DEVELOPMENT

■ POSITIVE LIVING

BronxWorks Positive Living programs provide education, prevention, and harm reduction knowledge about HIV and other chronic illnesses. Community members can learn information about disease transmission, receive HIV and Hep C testing, and connect with treatment options. Those who are HIV+ can also attend individual or group counseling sessions to learn how to reduce harm of risky behaviors related to alcohol and substance use. Participants gain new skills to develop and maintain a healthier lifestyle. Along with regular weekly programming, Positive Living also partners with local organizations to provide testing, education, and other resources at events such as Da Bronx Pride Festival, HepFree NYC World Hepatitis Event, AIDS Walk 2024, and more.

POSITIVE LIVING

POSITIVE LIVING

IN 2024...

BronxWorks placed **1,445** youth into internships or jobs, and placed **317** adults into jobs.

BronxWorks provided free income tax services to **7,883** individuals.

SUPPORT

■ BENEFITS ACCESS AND ASSISTANCE

BronxWorks assists our neighbors with accessing benefits and other assistance to address their needs at walk-in offices throughout the borough. Community members can find assistance with government benefits, housing challenges, health insurance, food resources, legal assistance, and more. Services are offered in multiple languages at various locations, including community centers, hospitals, and public housing complexes. BronxWorks also offers the Facilitated Enrollment for the Aged, Blind, and Disabled program to assist with enrolling in and using public health insurance programs. The organization was founded on benefits access and assistance when it was established in 1972 to provide walk-in services for seniors in need of housing, food stamps, and other public assistance.

■ ESOL COMMUNITY COMES TOGETHER FOR TALENT SHOW

As part of our immigration services, BronxWorks offers English for Speakers of Other Languages (ESOL) classes to non-native adult English speakers at multiple BronxWorks locations. Through the ESOL program, participants acquire sufficient language abilities to enhance the quality of their lives, while also finding a sense of community with their peers. This year, the students came together to celebrate the completion of the program with a talent show! Dozens of students were in attendance to watch and perform various talents, including singing, group dance, and individual dance. The performances allowed the students to show off some of their new knowledge and the event culminated with the students receiving graduation certificates. BronxWorks also supports with preparing and submitting applications for U.S. Citizenship, as well as offering legal services to those seeking assistance with immigration matters.

BENEFITS ACCESS & ASSISTANCE

ESOL COMMUNITY

"I go to work, I'm a single mom. This is what this community needs, a place like this that cares, that helps the students...BronxWorks also helped me with financial problems and everything. They're there to listen and they give me advice, they lift me up."

—Chiffon S., BronxWorks Participant and Parent

Learn more about Chiffon and her family here:
Scan the QR code.

IN 2024...

BronxWorks assisted **2,882** people with benefits and entitlements, leading to the acquisition of **\$1.6 million** in public benefits.

BronxWorks assisted **6,685** households enroll in health insurance.

For more information about our services, please visit www.bronxworks.org/our-services

2024 LIFTING LIVES GALA

MAY 9, 2024, NEW YORK BOTANICAL GARDEN

■ BronxWorks held our annual Lifting Lives Gala on May 9 at the New York Botanical Garden. As our biggest fundraiser of the year, the Lifting Lives Gala provides unrestricted funding to support vital programs for children and families, including early childhood education, family health and wellness, adult education and employment assistance, and more. Thanks to the generosity of our supporters, BronxWorks will continue to provide a variety of services that uplift families at every stage of their lives.

We were thrilled to honor three stakeholders of the Bronx community: Felix Cabreja, CEO and President of A&H Security Services; Brian Crowell, PGA, General Manager of Bally's Golf Links at Ferry Point; and April Horton, Regional Manager for Government and External Affairs at Verizon.

A&H Security Services is a significant partner for BronxWorks, ensuring the safety of staff and program participants at

several BronxWorks locations so that our programs can continue to provide their vital services. Bally's Golf Links at Ferry Point recently acquired the golf course in Throggs Neck, and they are already supporting our community by providing a free shuttle bus with stops throughout East Bronx, often considered a transportation desert. Verizon is a critical supporter of BronxWorks STEM, Workforce, and other programs for youth participants, and together we are working to close the digital divide that disproportionately impacts underserved communities. Thank you to our honorees for their continued support of BronxWorks and their dedication to the Bronx community!

The event kicked off with a cocktail hour outside overlooking the Enid A. Haupt Conservatory and live music by Tres Gatos, followed by dinner in the Garden Terrace Room. Our dinner program was hosted by Pedro Rivera, Anchor/Reporter at ABC 7 Eyewitness News New York. Comedian, actor, and writer Tara

Cannistraci also joined us as our special guest! We are so grateful to Pedro and Tara, two Bronx natives, for sharing their love for the borough and emphasizing our vision to lift lives and build futures in the Bronx. We were also thrilled to have Bronx Borough President Vanessa Gibson, 1010WINS Midday Anchor Lynda Lopez, and NBA Legend John Starks join us in the celebrations!

Thank you to all who supported the BronxWorks 2024 Lifting Lives Gala benefiting children and families of the Bronx! This event would not have been possible without the immense support from our sponsors, partners, donors, community members, board members, and BronxWorks staff who helped to make the night a great success. Special thanks to our Champion Sponsor Bally's Golf Links at Ferry Point, and our Advocate Sponsors A&H Security Services and Bruce Phillips & Joan Feeney.

PEER-TO-PEER

■ MAY 2024
#TEAMBRONXWORKS IN THE TD FIVE BORO BIKE TOUR

BronxWorks once again had a team of riders in the TD Five Boro Bike Tour who raised funds for children's programs in our family shelters! #TeamBronxWorks riders committed to raising \$750 each before May 5, 2024, when they cycled over 40 miles throughout the five boroughs in the Bike Tour! Thanks to the incredible efforts of our riders and supporters, #TeamBronxWorks raised over \$15,600!

■ OCTOBER 2024
BRONXWORKS 5K MONSTER MASH HUNGER DASH

The BronxWorks 5K Monster Mash Hunger Dash returned once again in 2024, this year at Orchard Beach in the Bronx! The 5K raised funds benefiting BronxWorks programs combating food insecurity. Many of our Bronx neighbors continue to struggle with access to fresh, healthy, and affordable foods. We support our community members facing these challenges with food bi-weekly and monthly food pantries, seasonal farm stands, nutrition and cooking workshops, and more. Together, our supporters raised over \$13,000 to support our work to fight food insecurity in the Bronx!

■ NOVEMBER 2024
#TEAMBRONXWORKS IN THE TCS NYC MARATHON

For over 15 years, BronxWorks has had a team of charity runners in the TCS New York City Marathon raising money for our Children & Youth programs. In 2024, #TeamBronxWorks runners raised over \$17,000, supporting vital programming for youth education and development. Congratulations to #TeamBronxWorks for your hard work and for finishing the marathon!
